

## Research Week 20-23 June 2022 - Equality, diversity and inclusion in applied research

### Monday 20 June

**10.00-11.30 ARC KSS Public & Community Involvement & Engagement (PCIE) Team – in conversation** virtual event

Join the PCIE Team in conversation with a panel of clinicians, researchers and public members talking about their experiences of the barriers and facilitators to Equality, Diversity and Inclusion (EDI) in Public Involvement and Engagement in Research. There will be an opportunity for the audience to join in a question and answer session.

**13.00-13.45 Research insight talks - Applied Research in Primary and Community Health Services and Digital Innovation** virtual event

Led by Professor Harm Van Marwijk, ARC KSS Theme Lead for Primary and Community Health Services and Ayse Aslan, PhD student in Digital Innovation

**14.00-15.15 Inclusive Research - Why and How?** virtual event

Join Jan Walmsley, a specialist in inclusive research/co-production with people with learning disabilities and Danielle Garratt, co-researcher and Emily Barratt from Speak Out Brighton and Hove, as they highlight the importance and practicalities of researching inclusively.

### Tuesday 21 June

**10.00-12.30 How we work post-Covid, confidence and connection**  
Working and living post-Covid – an opportunity for personal exploration and reflection. Led by Lis Merrick, Coach Mentoring virtual event

**13.00-13.45 Research insight talks - Applied Research in Children and Young People’s Mental Health** virtual event

Led by Dr Leanne Bogen-Johnston, Post-doctoral Research Fellow and Claire Vella, PhD student from ARC KSS Starting Well – Children’s Mental Health theme

**14.00-15.00 The 4th Aim: supporting each other through group reflective practice** virtual event

Exploring reflective practice and how this can support challenges in research. Led by Eleanor Levy, ARC KSS Public Advisor and Laura Davidson-Dean, ARC KSS Mentoring Trainer

### Wednesday 22 June

**10.00-11.30 Research Journey through the lens of a BME international nurse – inclusion in research** virtual event

Join Cavita Chapman, Head of Equality, Diversity and Inclusion at NHS England and NHS Improvement South East, to explore her research journey and how EDI in research is so important. She will discuss her own research career challenges that are common for nurses and other non-medical professions, her insights as a BME researcher in practice and how we can better build links between inclusion and research.

**13.00-14.00 What does that mean? - Getting your message across more effectively in visual form** virtual event

Introduction to visual forms of communicating your message, such as Infographics, the art of making information and data beautiful. Led by Nigel Hawtin Information Design

**10.00-17.00 For ARC KSS Post-doctoral researchers and PhD students closed in person event at University of Sussex, Bramber House, Conference Centre**

### Thursday 23 June

**09.30-15.00 Research Week Symposium**  
**in person event at University of Sussex, Bramber House, Conference Centre or join virtually**

Take the opportunity to network with applied health and social care researchers across ARC KSS and our partners. The day will include:

- Welcome from ARC KSS’s Host Trust Chief Executive Officer, Director and Academic Career Development lead.
- Keynote speaker Professor Alisoun Milne will challenge our understanding of ageing and age-related health problems from a socially informed lens.
- Talks from ARC KSS’s Public Health and Social Care themes.
- World Café of the ARC KSS themes – interact and network with our themes, Clinical Research Network (CRN) and Research Design Service (RDS).
- Research Poster Competition – celebrate outstanding examples of equality, diversity and inclusion in health and social care research with the winner and runners-up of our poster competition.
